DFP Endorsement Ballot, 2010 primary election & general election

This ballot allows ranked voting. If you like Ms. Jones better than Mr. Smith, but would be willing to endorse either, you can write a "1" next to Ms. Jones, and a "2" next to Mr. Smith. If you vote "none" in a race, it becomes harder to endorse anyone. "I Abstain" is a neutral vote. If voting absentee, vote the ballot, seal it in an unmarked envelope, then seal the unmarked envelope in a second envelope (folding OK). Print your name & address & sign the flap of the **outer** envelope. ONLY one ballot per envelope set.
